CHF HUNTER PACE

Join us on Saturday, September 18, 2010 for CFH's Spring Hunter Pace. A Hunter Pace is designed to test a horse's suitability as a field hunter. The event is ridden over a course simulating hunting terrain and should be ridden at a "hunting pace", i.e., the speed at which one would normally ride to the hounds. The course is marked with orange ribbons and arrows to indicate turns.

Registration: 9:00 AM

Fast Time Divisions: 9:30AM – 10:00 AM

Optimum Divisions (may be ridden in any order): 10:00 – 2:30 PM.

Judging of Best Turned Out Pair: 9:30 – Noon

Awards: 4:00 PM

Entry Fee day of event is \$25 per horse per division. Entry fee for Handy Hunter Course is \$15 per person. Best Turned Out is \$5 per entrant.

ADDITIONAL INFORMATION

- Fast and Optimum Time (Over Fences and On the Flat) divisions are open to pairs of riders. On the Flat pairs may go around all fences; Over Fences pairs must jump all fences. In case of a refusal over fences, riders must make two more efforts to get over the fence, but may then go around that fence without being penalized.
- Optimum time will be computed by averaging all teams' times after dropping the fastest and slowest times. The teams coming closest to that average will be declared winners in optimum time classes.
- Optimum Time, Sr./Jr. division is open to pairs consisting of one Senior and one Junior rider; all fences are optional.
- Silver Fox Optimum division is open to pairs, age 40 and over.
- Handy Hunter Course is open to riders to show over fences, not to exceed 2 feet. Judged on performance, way of going, manners, and suitability.
- Best Turned out may be entered as an individual or as a pair. Entrants are judged on turn out of their mounts and proper hunt appointments.
